Capsule Machine

THE SILVER SHADOW DIFFERENCE: WHAT MAKES US UNIQUE

Our private label powder capsule manufacturing service lets you customize the size, appearance and encapsulation material of your nutritional product for as low as 1000 units. The industries largest powder capsule stock inventory allows you to get started with the highest quality capsules for as little as 50 units.

- Easy to swallow
- Minimal odors
- Accurate dosages
- Delivers supplements that tablets and softgels can't
- Visually stunning, hard shell capsules can be customized with brand logos (extended lead times and costs)
- Lower production and R&D costs than gummies, softgels, skin care and tablets
